

THE CONTAGIOUS COUNTDOWN!

Why contagious?

Because even if your listeners can resist a four hour countdown of America's latest hits...

Even if they can pass by timely, informative interviews with today's hottest stars...

The ingenious wit... the irresistible charm of Rick Dees and his cast of comedic characters will break them down...

And crack them up...

And talk about your countdown will just keep spreading all around town...

PREMIERES WEEKEND OF
OCTOBER 8 & 9
